President's Report

Pool fence program – We are beginning this Saturday in FS701 first due. We are looking for at least 30 volunteers. We have 100 houses to walk and we have 30 fences to give away. Iron man the pool fence company will be putting the fences in.

Relay kick off- Good job to all the folks who went. We had a great turnout at the end of the day the kids get to spray water. We didn't see as many faces as planned but we were thanked for our efforts.

Compliance Report- Going to fill this 20 page questionnaire that was given to us by the IAFF. It has to do with staffing levels and unsafe manning. The IAFF said this problem is the 2nd on there priorities.

Manning- At this time we still do not have plans to lay firefighters off. We are looking at other ways to save money i.e. uniform allowance & holiday pay.

MOU – Town managers changed it once again and cut out many items. We are not accepting the new Mou that was handed to us.
